Dear Saints,

We would like to invite you to a special time of fellowship and blending among those laboring on the campuses as faculty, researchers, and staff. Full-timers and other burdened saints are also welcome. As Brother Lee shared with us, on the campuses we need all five groups (the students, faculty and staff, full-timers, burdened saints around the campuses, and the overseeing elders or coworkers) laboring together for the Lord's interests.

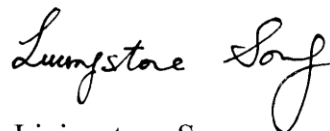

This fellowship and workshop will be held in Chicago the weekend of Friday, September 20 through Lord's Day. Some co-workers who served in the campus will join us. Many of you may recall the time we had together in 2013, 2015 and 2017, which proved to be beneficial and a blessing to all participants.

We hope this invitation will be received with your prayer and consideration. Limited hospitality will be available. To register and request hospitality, please respond to this letter by September 1st with the names of those attending and of those requesting hospitality. Please email your response to us at thechurchinchicago@gmail.com.

For the Lord's move and for the brothers in Chicago,

Marty Robert
